

Ring Size Guide

To Find Out Your Correct Ring Size, Please Follow The Next Steps

Print This Page Scaled To 100%

Measure The Bar On The Left.
It Must Be Exactly 30 mm Long.

1. Place a ring that fits you on one of the circles above
2. Make sure that the brown circle is visible within your ring.
3. If the ring falls between two sizes, order the larger size.

to assure an accurate measurement, The ring you use should be plain and without stones, such as a classic wedding band.
